Mission Statement

To empower seniors & their families by PROVIDING Education, Exercise, Health & overall Wellness!! This will enhance the quality of life of our overall community at large!

OUR GOALS

Utilize media communications & Expos to educate seniors, families, veterans & community at large in the Upstate of SC & Western NC. Supporting community efforts in "Way to Wellville".

We also partner with senior organizations, medical providers, community based companies, municipalities, government departments, and foundations to accomplish these goals.
